Hello Kelly.

FYI: Not sure if I responded to you already or not – but for clarity- I received IAS QA Manual. Thanks.

Good day Gina, I need to let you know that the total metal analyses will be performed to Method 6020 by IAS-Envirochem. I also was checking to make sure that you received an electronic copy of their QA Manual that I sent yesterday to you.

I forget to include the QA Manual for Mike so I have included it again today.
Thanks for your help, it's greatly appreciated.
Kelly
